MOLONGLO RIVER CAMP

WILSON, Isaac labourer

1. Mary Gallagher was the mother of Frances Day who lived at Briar Farm, Westlake. At one time the Gallagher family lived in Howie's cottages after a short stay at Briar Farm.

During World War II the old Molonglo School which was in Tennant Street was used by Harman for radio transmissions. This building later became a dog training school and was pulled down in the 1980s. The Molonglo Mall sits on the site of the old guard house and tower
