Dear Sir, Offer for Capitol Hill Camp.

In reply to your letter dated Sept. 14<sup>th</sup> & thanking you for leasing particulars for the above camp. I have studied the said particulars & I still wish to tender if I am fortunate enough to take over the mess. I promise to abide by the regulations in every way. The only drawback is, that, as a definite number of boarders are not stated, it is rather hard to fix a price to offer as rent. I could pay £2-10/- weekly for a beginning, & if the Commission needed an increase in the rent over a certain number of men we could come to other arrangements. As stated in my previous letter, I am a returned Soldier from both wars, & I have had experience in catering in messes in Barbessa, in the years 1924 & 25.

Yours Truly

(Mr.) W. Convine.
