

WESTRIDGE – YARRALUMLA 1967

The area of the Brickyards & 1914 Nursery was named in 1917 by Walter Burley Griffin, Westridge. In the post World War 2 era the suburb became Yarralumla. Some of the older residents still used the name Westridge on the roll.

Above is a photograph taken by members of Moya & Tony Campbell of Rodway Street Yarralumla of the new building work being undertaken in the 1950s.
Below is a late 1920s photograph of Government House (former Yarralumla House home of Frederick Campbell).
